Enduring Lasting Experience

WHO ARE WE?

Absolute plastic, a manufacturer of tailor-made Polypropylene Corrugated Sheets with unwavering commitment to Quality, Sustainability and Durability

| Sustainable Durable & High Strength	Cost effective Water & chemical resistance	Recyclable & Reusable Easy Handling

Technical Feature

Technical Information

Thickness Range 2mm-6mm
Width Range upto 1200mm
Custom Color

2mm - .082"
3mm - .125"
4mm - .16"
5mm - .21"
6mm - .25"

Regular PP sheet	Thickness	2mm	3mm	4mm	5mm	6mm
	GSM	300-600	400-800	600-1250	700-1600	900-1800
	Size	Width ≤ 1200mm; Length: As your request				

Anti-Static PP sheet	Thickness	2mm	3mm	4mm	5mm	6mm
	GSM	260-600	400-800	600-1250	700-1600	900-1800
	Size	Width ≤ 1200mm; Length: As your request				

Flame Retardant PP sheet	Thickness	2mm	3mm	4mm	5mm	6mm
	GSM	300-600	400-800	600-1250	700-1600	900-1800
	Size	Width ≤ 1200mm; Length: As your request				

Anti UV PP sheet	Thickness	2mm	3mm	4mm	5mm	6mm
	GSM	300-600	400-800	600-1250	700-1600	900-1800
	Size	Width ≤ 1200mm; Length: As your request				

Corona Treated PP sheet	Thickness	2mm	3mm	4mm	5mm	6mm
	GSM	300-600	400-800	600-1250	700-1600	900-1800
	Size	Width ≤ 1200mm; Length: As your request				

Interlayer Separators

Material Handling Boxes

- Space Optimization
- Durability

- Compliance
- Stacking Stability

- Protection of Product
- strength
- cost-effective
- Easy Handling

- Octa Bin

Fruits and vegetable Bins

Signage and Display
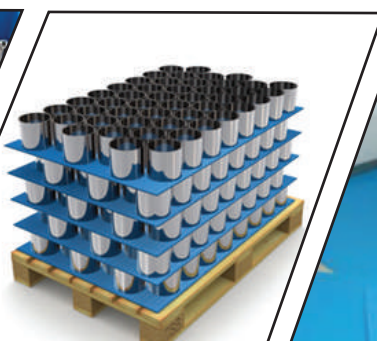

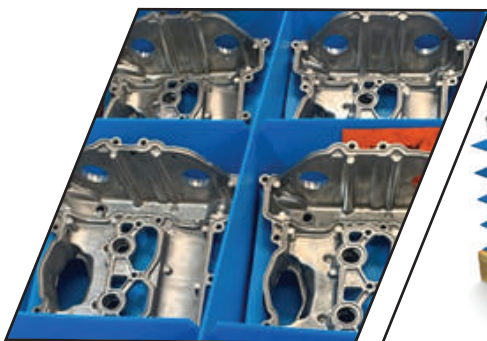

- Reduced Product Loss
- Stack ability
- Easy Handling

- Eye-catching signs.
- Displays.
- Promotional materials

Automotive Parts Packaging

Construction

- Long lasting
- Excellent dimensional stability
- Light weight

- Water proof
- High tear strength to weight
- ratio and rigidity to weight ratio

- Surface Protection
- Impact Protection

- Temporary Flooring
- Moisture & Chemical Resistance
